

Lettings Contracts

- Fully flexible and easy to use
- User defined contracts e.g. 3 Terms over an academic year
- User defined Contract Terms e.g. 42 weeks (any)
- Vacation and Out-of-Term bookings
- Waiting list management and Internet bookings
- Amending a letting period automatically recalculates the contract and updates the student account
- Flexible pricing matrix
- Automatically populated contract documentation

Student Accounts

- Invoice Creation
- Invoice Matching
- Adjustments to match your needs
- Refund Schedule
- Discounting
- Deposit Management
- Balance and Debtor information
- Variable VAT rates
- Flexible End of Period
- Bank Reconciliation

Student Relationship Management

- Student Preferences
- Student types and attributes
- Full student details
- Multiple student contacts and addresses
- Marketing by student types, geographical sector, booking types and source

Interfaces with Technology

- Connect to your website - Allow students to add themselves to the waiting list
- Electronic Door locks
- Full service interactive TV - A growing student requirement
- SMS (alert students about payment!)
